2004. *Saluga and Ghazal Ringing Station - a new ringing station in Egypt*. Ring 26, 2: 93-97.

Abstract

On 28 August 2003 under the auspices of the SE European Bird Migration Network (SEEN) a new Egyptian Ringing Station - Saluga and Ghazal began to operate. The paper provides information about the location of the station, its habitat, methods of work and species composition of caught birds.
